

Catholic Leadership INSTITUTE

The Disciple Maker Survey is Open!!

Our Parish has been selected to participate in a National Study of Vibrant Parishes conducted by the Catholic Leadership Institute.

The survey asks you to reflect on your own spiritual growth and to provide feedback on how our Parish is helping you grow. All responses will be confidential, and we will only receive information about our Community as a whole.

Please help us by **completing a 10-15 minute online survey**. The survey link was emailed to Parishioners last week by DiscipleMakerIndex@measuring-success.com and will be **available from January 18th through February 10th**.

If you did not receive an email, you can access the survey via our website www.smcr.org or go directly to it at <http://bit.ly/1RzS99d>.

You may obtain a paper copy of the survey by contacting our Parish Receptionist, Marcia Giorgio, at 203-438-6538 or stop by the Parish office. Paper surveys must be returned to the office by February 7th.

Questions? Need help? Please utilize the DMI phone hotline for the duration of the survey: **1-844-DMI-DESK**.

Thank you for helping with this important project!

If you do not receive Parish monthly email blasts and you would like to be added to our mailing list, please send an email to mggiorgio@smcr.org with your name, address and phone number.
