

THANK YOU!!!!!!!!!!!!!!

WALK 4 WATER

ST. MARY PARISH
RIDGEFIELD, CT

Ridgefield you are a beautiful and generous community and you did it again!

Our mission team went back to Guatemala last week. Thanks to the people of Ridgefield and to Saint Mary Church for contributing to the 2016 Guatemala Water Project. Your generous contributions have allowed us to make filtered water not just a charitable gift but a sustainable, long term solution to the people of Santa Maria de Jesus. We estimate your support will directly impact the lives of over 2,000 residents of the village.

We are especially grateful to our Gold, Silver and Bronze Sponsors:

The Students of Saint Mary School

Fairfield County Bank

Ceponis Financial Group

BMW of Ridgefield

Neumann Real Estate

William Pitt Sotheby's Real Estate

The Desmarais Family

The Furber Family
