I am participating in the "Walk for Water" Walk-a-Thon sponsored by the St. Mary Parish Catholic Action Team. All walk proceeds will help provide clean drinking water to the residents of Santa Maria de Jesus, Guatemala. Clean water dramatically improves all aspects of life in this small village.

I am asking you to sponsor me on my walk to make a difference in this village. Please consider and commit to donating an amount per one lap that I walk. After the Walk-A-Thon, I will let you know how many laps I walked and collect your contribution. Please make checks payable to **St. Mary Parish (write "Walk for Water" on the Memo Line)**. All contributions are fully tax deductible.

Thank you!
