

Kennedy's Rosary Project

Serving the Sick Any Time, Any Place

You are invited to join the St. Mary Respect Life Committee and the Order of Malta to learn about a wonderful ministry called the Kennedy Rosary Project. The rosary chaplets are hand-knotted from nylon twine and are MRI-safe. The mission of this ministry is to make twine knotted rosaries and chaplets, pray them and give them away.

The MRI-safe Rosaries are placed in special packaging featuring instructions on how to pray the Rosary and are placed in a box which shares Kennedy's story. Boxes are located in the Hospital and MRI Suites all over Fairfield County.

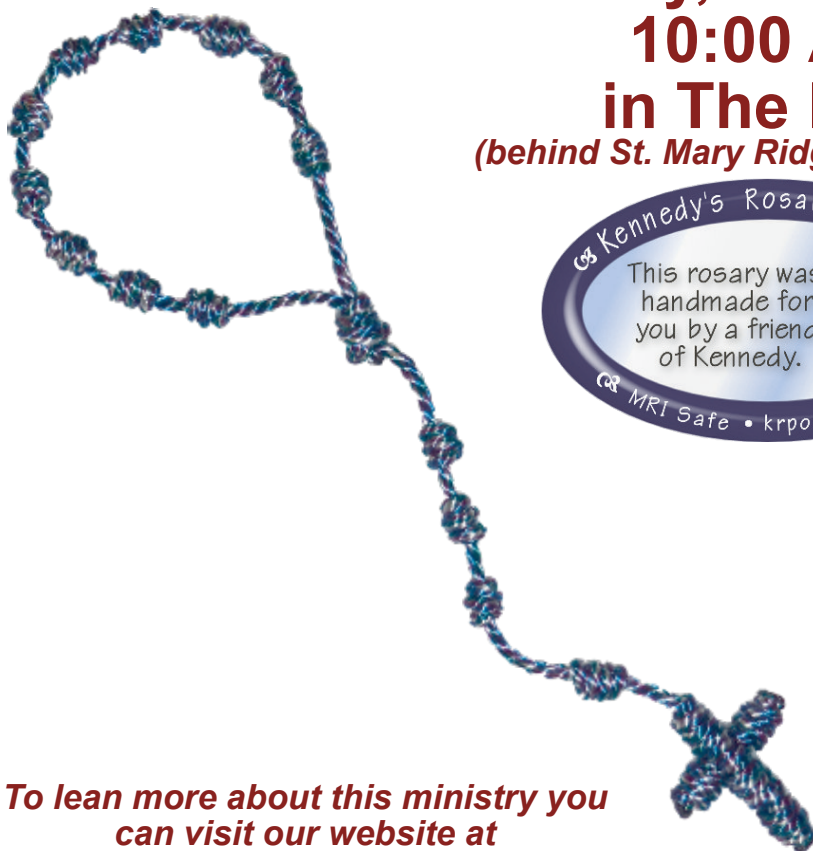

Come learn how to serve the sick from the comfort of your chair, car seat or sideline!

Come learn how to knot with us!
Wednesday, November 29th

10:00 AM

in The Barn

(behind St. Mary Ridgefield Church)
