

FAMILY FORMATION HIGHLIGHTS

** Learning and teaching the faith allows you to encounter Christ and grow in your faith.*

** All catechetical material is prepared for you for home use and no research is required for parents to educate children on the specific faith content each week. Parents do not have to be experts to use Family Formation.*

** Catechetical material has been given the imprimatur and is faithful to the Magisterium.*

** Parents provide a religious atmosphere in the home by praying together and working as a family to learn a faith topic each week.*

** Since many of the activities are fun for all ages, Family Formation often includes younger children and teens working along with the family at home.*

WHY FAMILY FORMATION?

“Parents are the primary educators in the faith.” (General Directory for Catechesis)

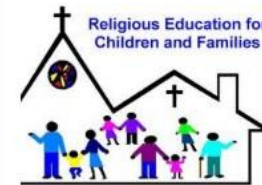

“And these words which I command you this day shall be upon your heart; and you shall teach them diligently to your children, and shall talk of them when you sit in your house and when you walk by the way, and when you lie down and when you rise. And you shall bind them as a sign upon your hand, and they shall be as frontlets between your eyes. And you shall write them on your doorposts of your house and on your gates.” Dt 6:6-9

HOW DOES FAMILY FORMATION WORK?

Family Formation provides a monthly **family-based curriculum** that includes **adult catechesis** to make living the Faith a way of life. Children learn with volunteer catechists. Parents receive training for weekly lessons to continue to teach the Faith to children at home during the month.
