

**TLC Grave Site Maintenance, LLC**  
Individual Grave Site Planting and Maintenance Services for  
**St. Mary Cemetery**

**Live Plants**

Planting deer-resistant annual or perennial flowers at the grave site provides ongoing color and beauty throughout the season.

Complimentary individual estimates are provided based on the size of the area to be planted, what is currently there, the kind of flowers desired, etc.

Planting services start at \$110 and include digital photographs of work done.

**Please note that we follow all cemetery rules and guidelines with regard to grave site planting and beautification.**

**Silk Flowers**

If you prefer silk flowers, a garden bed can be created with silk flowers "planted" for the season in front of your loved one's headstone.

**Care Packages**

Our Full Care Package includes all necessary watering, weeding, dead heading of flowers, clearing of leaves or debris, and application of deer repellent throughout the season. This no-worry approach is guaranteed to keep your site blooming beautifully and gives you peace of mind, knowing the site is cared for consistently.

Some clients prefer occasional assistance with watering or caretaking and we can do that as well.

Whatever your needs are, we can design a care package just for you. Call us today to get the help you need.

**Special Occasions**

Fresh flower bouquets may be placed at a grave site in remembrance of:

- Easter
- Mother's Day
- Memorial Day
- Father's Day
- Anniversary
- Birthday
- Any Special Occasion
- Spring or Fall Seasonal Arrangement

Prices for flower bouquets begin at \$50 (including delivery).

*All TLC services include a digital photograph of the decorated site.*
