*Our Chapel is the oldest one in Connecticut (starting on Corpus Christi, 1994) and has been blessed these **past 23 years** with the privilege of having our compassionate & loving Lord Jesus Christ present in our Chapel, day & night.*

Over the years, due to attrition and aging of our Adorers, our numbers have lessened. Please consider signing up to be a regular weekly Adorer or joining our Adorer family as a substitute covering for those who are not able to make their weekly time.
