

RESPECT LIFE *Sunday*

Respect Life Sunday

Each year the first Sunday in October is designated: "Respect Life Sunday", when we are asked to recommit ourselves to promoting the culture of LIFE.

It is a good time to ask ourselves whether we are a good witness to the respect we are called to have for all human life, from conception to natural death.

On this Respect Life Sunday, we should pray hard for our legislators, for those mothers who feel forced to choose abortion and for those who provide abortions.

We must also look at ourselves.

Do we speak up for the innocent victims?

Do we promote respect life values?

Do we vote for pro-life politicians?

Do we do anything tangible to protect the unborn, disabled or the dying?

We can definitely help change our society to become a culture of LIFE, but we must be active, informed and faithful witnesses.

Start today by joining us for coffee and donuts. We have a life affirming craft at the children's table and a brief slideshow displaying all of the activities in our parish.
