A Warm & Welcoming Family of Catholic Faith

Above all, the common outcry, which is justly made on behalf of human rights -- for example, the right to health, to home, to work, to family, to culture -- is false and illusory if the right to life, the most basic and fundamental right and the condition for all other personal rights, is not defended with maximum determination."

-John Paul II

THE PRO-LIFE MOVEMENT

The pro-life movement has recently gained considerable momentum. There have been numerous pro-life initiatives in Congress, such as the suspension of the dangerous RU-486 abortion drug, the Unborn Child Pain Awareness Act, putting an end to taxpayer support of Planned Parenthood, protecting babies who survive abortions and granting a woman's right to view her ultrasound prior to having an abortion.

Let us pray and trust the Lord to bring about the victory for a Culture of Life!

FAITH INTO ACTION

In a culture and world that is hungry for the Truth, we are often challenged to put our faith into action. As Christ's followers and as Catholics, we are called to integrate our faith into all aspects of our lives. In fact, we are called to make our faith evident in all our actions and decisions. In the Sermon on the Mount, Jesus tells us not to hide our light under a bushel basket, but let our light shine before others. *-Matthew 5:15-16*

Defense of the unborn---the most vulnerable and defenseless human beings in our society, is undoubtedly the most important aspect of integrating our faith and actions. After all, LIFE is the most important gift that God gives us!
